What is International Student Admissions :

- International Student Admissions is the process for non-Indonesian Citizen / non-Indonesia Permanent Resident students to seek admission into mainstream regular or international programs in Maulana Malik Ibrahim State Islamic University (UIN Maliki).
- Admission of international students into mainstream educational programs of UIN Maliki is subject to availability of the program vacancies, the student meeting the faculty's admission criteria and the student's successful application of a Student's Pass (STP) from the Immigration

Eligibility for Admission :

- You will be regarded as an international applicant if you do not hold Indonesian citizenship.
- To be able to get admission, candidates must demonstrate good academic competence which is proven with high academic merit. International applicants should apply directly to Maulana Malik Ibrahim State Islamic University by submitting a set of necessary documents (see the flow chart of admission procedure). International applicants are generally not required to sit for the entry test for admission unless a special condition occur. The eligibility for admission is based on a desk evaluation carried out by the UIN Maliki admission test committee on your academic achievement.
- International applicants must meet the academic, language requirements and commit to comply with particular regulations of Indonesian government related to education policy in order to apply for a degree at UIN Maliki.

Under-graduate Program Admission :

- Admission to under-graduate program requires a good academic performance in high school or college.
- For international under-graduate program applicant should demonstrate English language or Arabic language proficiency minimum International TOEFL score of 500 / IELTS overall score of 5.5/TOAFL score 500.
